~Yokohama's attraction spots seen from the boat~

### ① Minato Mirai 21

Great location in central of Yokohama, Minato Mirai means in English "harbor of the future". Great location along the water and has a wealth of attractions for local people and tourists.

### ② -1 Yokohama Cosmo World

The giant clock-faced ferris wheel which has now become an iconic feature of the Yokohama skyline. We can anchor nearby the attraction parc and having BBQ party ! Nice background for group pictures as well.

### ② -2 Yokohama Landmark Tower

A skyscraper that becomes a symbol of Yokohama Minato Mirai. Highest observation deck in the city (296.33 meters), you can enjoy the 360-degree panoramic view of the area!

### ② -3 Nippon Maru (Boat)

This boat is called "Swan on the Pacific Ocean" from its beautiful appearance! The Nippon Maru dates from 1930 when it was built as a training ship for Japanese naval cadets. It was retired in 1984 and donated to the City of Yokohama.

### ③ Yokohama Red Brick Warehouse

Formally the Customs Inspection House for Yokohama Bay's shipping activities in the early 1920's, these well-know red brick buildings have been converted into one of Yokohama's most popular family or date spots. Beautiful view at night!

### ④ -1 Hikawa Maru (Boat)

Anchored in front of Yamashita Park, you can enjoy this living museum as if you were a marine during her glorious time 80 years ago. She was declared to be a "cultural asset" of Yokohama City in 2003.

### ④ -2 Yokohama Marine Tower

Built in 1961, Marine Tower is one of Yokohama most iconic sightseeing spots. The Tower as been elected as one of the most beautiful places for dating in Japan in April 2010.

### ⑤ Yokohama Bay Bridge

Another symbol of Yokohama ! This steel cable-stayed bridge was completed in 1985 and opened in 1989 for traffic. It connects Yokohama to Tokyo. Also famous dating spot...

### ⑥ Daikoku Wharf

Largest island-type pier at the port of Yokohama, the pier was completed in 1990. Recommend to visit at night as it's beautifully lit !

### ⑦ Tsurumi Tsubasa Bridge

The Tsurumi Tsubasa Bridge is a cable-stayed bridge located at the western side of Yokohama Bay and is part of an expressway across the Port of Yokohama. The bridge was completed in 1994.
